Dear Mr Humphreys

Re: Seeming corrupt activity within the Office of the Legal Services Commissioner

I feel it is incumbent upon me to once again make you aware of not only the issues of corrupt activity taking place within the confines of the Office of the Legal Services Commissioner, but also to the questions such conduct is raising, both inside and outside the legal arena.

As such, please find **attached** copy of letter to the Legal Services Commissioner of 28th June 2018, which so far has yet to receive a response. You will find that the contents of the attached letter are entirely accurate.

It is of note that you have been made aware of the said conduct issues on numerous occasions and you have neither replied to any correspondence sent directly to you raising such concerns, nor have you provided comment, with the said conduct issues remaining unresolved.

Yours faithfully

Symn Waters
