Dear Mr McKenzie

**Re: Corruption**

Despite having had ample time to do so, you have declined to provide any response to my letter to you of 5<sup>th</sup> September 2019 (copy **attached**).

You have at all times failed to deal with the criminal behaviours as exhibited by Terence Goldberg of Turner Freeman Lawyers, and it also strongly appears that you provided false information to the NSW Police in order to hide Mr Goldberg's unlawful activities and protect Mr Goldberg from all proper avenues of justice.

You remain fully aware that Terence Goldberg abused Court processes in order to fraudulently claim a debt which was not in fact owed to either him or his firm. You are also fully aware of the ensuing money laundering activities of Mr Goldberg; which you continue to ignore. Very obviously, your actions are deliberate.

Questions remain outstanding as to why you are behaving in the manner as outlined above. Clearly, you would not be doing so without some form of benefit to yourself.

I copy this letter to the Independent Commission Against Corruption, among others.

Yours faithfully

Symn Waters

Dear Mr McKenzie

**Re: Corruption**

You have not responded to my letter to you of 22<sup>nd</sup> July 2019.

I remain keen to understand as to how you advised the NSW Police during the fraud investigation into the allegedly criminal dealings of Terence Goldberg of Turner Freeman Lawyers.

Indeed, and it goes without saying, that if you had been truthful during the NSW Police's interview with you regarding Terence Goldberg's improper activities, Mr Goldberg would subsequently have been charged with a number of counts of fraud.

Of course, I was not present during that interview, and am therefore unable to comment on exactly what took place, however, what I can say with an absolute certainty is that you have lied to me and to others to protect Terence Goldberg regarding Mr Goldberg's issues of wrongdoing and misconduct. Given your history, I am inclined to believe that you have lied to the police also.

Despite the large number of complaints regarding Terence Goldberg's unlawful activities, Mr Goldberg remains without any form of sanction by either your office or those around you. The question remains outstanding as to why you have consistently gone to untold lengths to protect Terence Goldberg from the weight of the law.

I copy this letter to the Independent Commission Against Corruption, among others.

Yours faithfully

Symn Waters
